## CONDITIONS OF SALE.

1. Any bid which is merely a nominal or fractional advance may be rejected by the auctioneer, if, in his judgment such bid would be likely to affect the sale injuriously.

2. The highest bidder shall be the buyer, and if any dispute arise between two or more bidders, the auctioneer shall either decide the same or put up for re-sale the lot so in dispute.

3. Payment shall be made of all or such part of the purchase money as may be required, and the names and addresses of the purchasers shall be given immediately on the sale of every lot, in default of which the lot so purchased shall be immediately put up again and re-sold.

4. Payment of that part of the purchase money not made at the time of sale shall be made within the time announced or designated by the auctioneer, in default of which the undersigned may either continue to hold the lots at the risk of the purchaser and take such action as may be necessary for the enforcement of the sale, or may at public or private sale, and without other than this notice, re-sell the lots for the benefit of such purchaser and the deficiency (if any) arising from such re-sale shall be a charge against such purchaser.

5. Delivery of any purchase will be made only upon payment of the total amount due for all purchases at the sale.

6. Delivery of any or all purchases will be made only at the place of sale, and only on presenting the bill of purchase and within the time announced by the auctioneer.

7. Shipping, boxing or wrapping of purchases is a business in which the undersigned is in no wise engaged, and will not be performed by the undersigned for purchasers. The undersigned will, however, afford to purchasers every facility for employing at current and reasonable rates carriers and packers; doing so, however, without any assumption of responsibility on his part for the acts and charges of the parties engaged for such service.

8. Storage of any purchase shall be at the sole risk of the purchaser. Title passes upon the fall of the auctioneer's hammer, and thereafter, while the undersigned will exercise due caution in caring for and delivering such purchase, he will not hold himself responsible if such purchase be lost, stolen, damaged or destroyed.

9. **Guarantee** is not made either by the owner or the undersigned of the correctness of the description, genuiness or authenticity of any lot, and no sale will be set aside on account of any incorrectness, error of cataloguing, or any imperfection not noted. Every lot is on public exhibition one or more days prior to its sale, after which it is sold "as is" and without recourse.

The undersigned exercises great care to catalogue every lot correctly and will give consideration to the opinion of any trustworthy expert to the effect that any lot has been incorrectly catalogued, and, in his judgment, may either sell the lot as catalogued or make mention of the opinion of such expert, who thereby would become responsible for such damage as might result were his opinion without proper foundation.

### **SPECIAL CONDITIONS.**

In compliance with an Agreement of Sale entered into with the executors, which requires an early accounting, and in order to insure a prompt removal of the purchases, a cash deposit of at least 25 per cent. will be required in part payment.

Settlements must be made in full for all purchases on or before 5.30 P. M. on day following sale.

All purchases must be removed at the purchaser's risk and expense on or before Friday, February 9th, at 2 P. M., and in a way so as not to deface the buildings, and the purchaser must at his expense make good any damage caused by the removal thereof.

Buying or bidding by the auctioneer or his assistants for responsible parties, on orders transmitted by mail, telegraph or telephone will be faithfully attended to without charge or commission. Any purchase so made will be subject to the above conditions of sale, which cannot in any manner be modified.
